

QUESTION #21:
“WHAT IS A STUMBLING BLOCK?”
STUDY GUIDE

10.13.19

Why is the topic today as relevant for us now as it was for the church in the first century?

What is a simple definition of a “stumbling block?”

What are some things that could be considered to be stumbling blocks for people?

Why is being a part of the body of Christ so important for us to keep in mind?

Why is loving one another so important for us to keep in mind?

What specifically isn't meant to be a stumbling block?

What things have been stumbling blocks for you?

When has it been difficult for you to remember yourself as a part of the body of Christ?

When has it been difficult for you to love one of your brothers or sisters?

How can this body minister to you in the area of being a loving part of the body of Christ? (In other words, how would you ask a fellow believer to minister to you in this area? This question implies that you will connect with somebody in our fellowship to minister to you, with whom you can share your difficulties and struggles, and with whom you can pray together.)
