MATTHEW 18:6-14; MARK 9:38-50
STUDY GUIDE

1.23.22

What's the tallest building you ever visited? Why is a building's foundation so critical?

Who were the "little ones" to which Jesus was referring?

What does it mean to cause somebody to "stumble?"

What did Jesus have in mind when He told His disciples to be willing to cut off their hands or gouge out their eyes?

What was the foundational viewpoint from which Jesus wanted His disciples to view each other as well as other believers? Why would this be so important moving forward?
