

“HOPE IS ON THE WAY” (PART 2)
(Insights from Isaiah)
STUDY GUIDE

12.8.19

Isaiah gave us many pictures of the “hope” that was on the way as promised by God in the Garden of Eden. But there are four characteristics, or attributes, of this hope that we want to focus our attention on today:

How have you experienced Jesus as a “wonderful counselor?”

How has knowing Jesus as “almighty God” impacted your life?

How have you experienced Jesus as a “father?” How has his being “everlasting” impacted that experience?

How have you experienced Jesus as the “prince of peace?”

What is the biggest change you have seen in your life from before you met Jesus to now?
