

ANIMAL TALES: A DONKEY'S BURDEN
MATTHEW 21, MARK 11, LUKE 19, JOHN 12

3.28.21

What did Christ's riding on a donkey into Jerusalem symbolize?

Why was there such a large crowd when Jesus entered Jerusalem?

How would Christ's "triumphal entry" into Jerusalem differ from a Roman triumph?

What was the sad significance of the people identifying Jesus as a "prophet" rather than as a "king?"

What was the "peace" that Jesus represented and offered to the world?

How has Jesus brought peace into your life? What has Christ's peace looked like for you?
