STUDY GUIDE

3.8.20

What would a post-modern person say regarding truth?

What would a “post-truth” person say regarding truth?

What did the apostle Paul warn us about people receiving truth in the “last days” — including our days?

Write out one of your favorite Bible verses:

How has God shown you/how have you experienced the truth behind this verse?

How have you seen the truth in God’s Word through your devotions, listening to sermons or being a part of Bible studies?

How well do you know the books of the Bible? In the following paragraph there are 16 books of the Bible. Some of them are found in whole words, others in adjoining words. Do this with the whole family and enjoy!

I once made a remark about the hidden books of the Bible — it was a lulu — kept people looking so hard for facts but, for others, it was a revelation. Some were in a jam, especially since the names of the books were not capitalized, but the truth finally struck home to numbers of readers. To others it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be a real easy one to spot; others may require judges to help them. I will quickly admit it usually takes a minister to find one of them, and there will be loud lamentations when it is found. One woman says she brews a cup of tea so she can concentrate better. See how well you can compete. Relax now, for there really are 16 books of the Bible in this story.
