

THE RADICAL RABBI: A RADICAL ABSOLUTION **(Luke 7:36-50)**

4.11.21

In your own words, what was the difference between how the Jewish leadership presented God and how Jesus presented God?

Why was it unusual for Jesus to be invited into the home of a pharisee for dinner?

Why would it be unusual to see a woman at a banquet in that culture?

What was Simon's response to seeing this woman with Jesus?

What customary social obligations had Simon apparently overlooked?

Why was this woman crying?

What was the intent of the gift this woman was presenting to Christ?

How do your own sins affect you? When was the last time a sin of your own devastated you?

Is judging others a habit into which you have fallen? How might you pray for forgiveness and healing?
