

THE RADICAL RABBI: A RADICAL REFUSAL”
(Matthew 12:38-50)

4.25.21

What was the irony of the Pharisees asking Jesus to show them a sign?

What was the only sign that Jesus would be showing them? Why was this sign significant?

What did Jesus mean to show by using the examples of Jonah and the “queen of the South?”

Why isn’t being “reformed” enough, according to Jesus?

Why wasn’t Jesus being rude or disrespectful to his family when they came to see him?

Have you ever had a moment where you felt like God had to show you a “sign” to convince you of his love or presence? How did he seem to respond? What did you learn from that moment?
