

**THE RADICAL RABBI:
“A RADICAL RESPONSE”
STUDY GUIDE**

6.21.20

How would you define the word “miracle?”

Why did changing water to wine reflect who Jesus really was?

How has Jesus transformed your life?

Can you think of an event or a moment in your life where you witnessed something that seemed to be a miracle? What was the event? Why did it feel like a miracle?

How is Jesus continuing to transform your life?

Why did Jesus seem to address his mother Mary so abruptly?

How has your life transformed over the last week? The last month? The last year?

Very few people would have been aware of the source of the “best” wine. Why did Jesus seem content to keep this miracle so quiet?

Why is it so important to be experiencing transformation in your life in Christ?
