

**THE RADICAL RABBI:  
“A RADICAL CLEANSING”  
(John 2:13-22)**

6.28.20

What are the two (2) fundamentals we are going to keep in mind as we study the “Radical Rabbi?”

What was Jesus’ “sign” that He had the authority to act as He did that day?

What event in Hebrew history did “Passover” celebrate?

In what “temple” does Jesus reside today?

Why were cattle and sheep being sold in the temple area?

What does God desire of us in worship?

Why was money being exchanged in the temple area?

What does our building provide for us regarding worship?

Why was Jesus angry with these arrangements?
