

**THE RADICAL RABBI: “A RADICAL VALUE”
(Mark 10:13-16) STUDY GUIDE**

9.27.20

Do you remember a time growing up where you understood that you were important? What was that like?

Why do you think these parents wanted Jesus to bless their kids?

Why do you think the disciples wanted these parents and their kids to just go away?

What did Jesus mean by saying that the kingdom of heaven belongs to ones such as kids?

What did Jesus mean by saying receiving the kingdom of God like a child was absolutely necessary for gaining entrance to it?

How does Jesus give us access to God? How can you explain this to your kids/grandkids?
